in a 3 couple set*

Bars

*1 - 8 1st couple dance figure 8 on sides dancing in and down
to begin and joining hands when meeting in the center.*

9 - 16 1st and 2nd couples dance 'set and rotate'

17 - 20 1st and 2nd couples dance RH across

*21 - 24 1st and 3rd couples dance LH across to end in center
ready for*

25 - 32 1st and 3rd couples poussette

Repeat with new top couple

*This dance is devised by Joan Baker. In the fall of 2007, there were
always two or three people absent each week so I began to feel like
Forest Gump and his 'Box of Chocolates' because I never knew who
was going to turn up. Therefore I devised this dance for a 3 couple
set*
